

2023 AUSTRALIAN BLUEWATER FREEDIVING CLASSIC COMPETITION RULES

1. GENERAL RULES

- 1.1. All competitors compete at their own risk. It is important that competitors read all rules carefully.
- 1.2. All competitors must be insured members of the Australian Underwater Foundation (AUF) for the duration of the competition.
- 1.3. Boats may have a non-competing boat captain present in the boat during the competition. Only competitors are allowed to enter the water during the competition.
- 1.4. Boats are to be arranged by competitors. The organisers take no responsibility for arranging any boats. It is the responsibility of each competitor to ensure their boats are equipped with the safety gear as required by NSW legislation.
- 1.5. Inexperienced divers MUST make themselves known to competition officials.
- 1.6. All boat drivers must be licensed as required by Transport for NSW.
- 1.7. All boats must be registered as required by Transport for NSW.
- 1.8. Safety boats are not to be used to transport fish.
- 1.9. Being towed in by a safety vessel would not disqualify the competitors on the towed vessel, provided that the competitors comply with the sign on and off requirements in clause 2.
- 1.10. All vessels engaged in spearfishing activities during the competition shall fly, clearly visible above the vessel, an International Code A (blue/white) flag.
- 1.11. No competitor is to land on any of the Islands within the Solitary Islands Marine Park (except in an emergency).
- 1.12. Any advertising decals supplied by major sponsors must be displayed forward on all boats for promotional purposes.
- 1.13. Burleying is permitted. ONLY burley obtained in the water at the competition site during the hours of competition is to be used. No burley is to be taken from land.
- 1.14. Competitors should dive in pairs for safety reasons during the duration of the competition.
- 1.15. Fish must not be tethered to the body.
- 1.16. All fish must be captured by a single competitor using a spear, speargun or similar device or by hand.
- 1.17. Competitors may only land fish between Evans Head in the north (29.10 S) and Hat Head in the south (31.06 S) for purposes of competing.
- 1.18. No breathing aid other than a snorkel shall be permitted.
- 1.19. Guns fired by the discharge of compressed or explosive gases into water are forbidden.
- 1.20. The use of explosives, torches, poison, or electricity in the capture of fish is forbidden. Competitors may carry powerheads for personal protection, provided they satisfy all legal requirements of NSW law in allowing their use.
- 1.21. Competitors must be immersed in the water at the time of spearing of any fish.
- 1.22. Assisted catches are not allowed. All fish must be taken unassisted by the competitor weighing them in.
- 1.23. Competitors must not enlist transport for their fish by another boat back to the weigh in, unless they accompany their catch with all their equipment.
- 1.24. Competitors must not load their guns out of water.
- 1.25. Competitors must not discharge their guns for any purpose other than for underwater fishing.
- 1.26. Competitors must not carry loaded guns on floats.
- 1.27. When not in use spear heads and knives must always be sheathed in an adequate manner. Snorkels are an adequate cover for spear heads out of the water.
- 1.28. A competitor must remain within 30m of his/her float when he/she is at or near the surface of the water.
- 1.29. Rock-hopping is allowed. Any rockhopper competing must comply with the competition rules.
- 1.30. Fish must not be speared when within traps, nets, or hooked on lines.
- 1.31. The AUF A and B section rules of competition will apply.
- 1.32. Where there is a contradiction between these Competition Rules and the AUF Rules, the Competition Rules will take precedence.

2. SIGN ON AND OFF REQUIREMENTS

- 2.1. All competitors must not fish by any means before 5am on Saturday.
- 2.2. All competitors must be formally registered by 6pm Friday (REGISTRATION).
- 2.3. All boats must contact the Timekeeper to sign on both Saturday and Sunday between 5am and 8am. *Further details, including required information, will be provided at REGISTRATION.*
- 2.4. All competitors must sign off in person with the Timekeeper at Woolgoolga Beach Reserve by 3pm on Saturday and 2pm on Sunday.
- 2.5. If during the hours of the competition, a text message and/or a radio message is broadcast on VHF 16 / 27.880 MHz signalling the end of the competition by the Organising Committee, all competitors must cease fishing immediately and report to the Timekeeper at Woolgoolga Beach. This would only occur in an emergency.
- 2.6. All times are in AEDT.

3. SAFETY EQUIPMENT

- 3.1. A sheathed knife is to be carried by each competitor during the hours of the competition.
- 3.2. A float, coloured RED, ORANGE, OR YELLOW is to be towed by each competitor. An international letter "A" flag must be fixed to each competitors float and weighted so as to fly vertical at all times - even in windy conditions and is to be used for the duration of the competition.
- 3.3. Each competitor's float and knife must be presented at the request of any Competition official.
- 3.4. A competitor's personal float must be capable of supporting him/her with the competitor wearing a minimum of swimming costume, wetsuit, fins, snorkel, and mask.

4. WEIGH IN

- 4.1. Only fish listed in Schedule A – Species List are eligible for weighing.
- 4.2. Any competitor entering the sealed off weigh-in area with their catch shall be deemed to have presented those fish for weigh in.
- 4.3. Fish presented for weigh-in must be in a presentable manner, with no man-made deformations. Any fish deemed non presentable by the weigh master will not be accepted.
- 4.4. The competitor or his/her agent should watch the weigh-in of their catch. If neither is available, the Match Referee may designate someone to do so.
- 4.5. A single set of scales will be used wherever possible, but should it be impracticable to weigh very large fish on these scales, a second set of scales may be used.
- 4.6. No competitor's fish shall be allowed to be kept in water unless all competitor's fish are kept in water.
- 4.7. Only officials appointed by the Weighmaster may handle, process or record fish. Fish may be tailed by slicing off all or part of the tail fin after weighing.
- 4.8. Only the weighmaster shall handle fish for measurement or weighing purposes.
- 4.9. At the weigh-in on both Saturday 3pm and Sunday 2pm: Each competitor may weigh a maximum of 5 fish with a limit of two of any species (species limit is combined over both days).
- 4.10. All fish presented for weigh-in are to be a minimum of either 45 cm (18 inches) in length, or their NSW minimum legal-size limit, whichever is greater.
- 4.11. At the discretion of the Weighmaster, a fish which has clearly been bitten by a shark may still be allowed to be weighed if the remaining component meets the minimum length requirements.
- 4.12. Mutilated fish which are not approved for weighing under clause 4.1 cannot be weighed.

5. SCORING

- 5.1. The following scores will be assigned for eligible fish presented at the weigh in:
